Dear Fellow Arlington Rotarians –

I waited until today (Tuesday) to send out the Arclight, so that I could remind you of my e-mail request last Friday – if you haven't already done so, please, by the end of the day today if possible, send me the names and e-mail addresses of a few of your circle of professional and personal contacts who you would like to invite to our 85th anniversary Birthday Bash.

This week, before our regular meeting May 29, we have a Board meeting beginning at 11:00. Any interested member is welcome to attend.

- President Steve

Our Program This Week – Thursday, May 29 - Lighting Up Arlington Rotary

Our featured speaker once again this week, is “one of our own.” ARC **President-Elect Gary Long** will share some thoughts about his plans for the club in RY 2014-15, and implementing this year's RI Motto “Lighting Up Rotary.”

For the Record

A reminder: There will be no club lunch meeting June 26, and no roundtable. The club's “85th Birthday Bash” on Friday, June 27, 6:00 – 8:00 PM, will constitute our regular meeting for the week, so please plan to attend that event. We'll need all hands on deck! Officers for next Rotary year will be installed at the regular lunchtime meeting on June 19.

Our speaker May 22 was Robert Martinson, our most recent new member, who gave a very interesting classification talk about his life and career.

AREF President Joe Lott announced that the scholarship review committee had met after our regular meeting on May 15 and selected the winner of this year's AREF academic college scholarship. We're not publishing the name until Joe has notified all competitors, but you will meet her/him at one of our meetings before the end of the year.
