ARCLIGHT

The Weekly Members' Bulletin of the

ARLINGTON ROTARY CLUB

http://www.arlingtonrotaryclub.org
Meeting Thursdays, 12:15
At Washington Golf & Country Club
3017 N. Glebe Rd., Arlington VA
Chartered July 4, 1929 – Now In Our 85th Year

Fellow Arlington Rotary Club Members:

Don't Forget – Friday evening, 6:00 – 8:00 PM, at the NRECA Conference Center (ground floor) - Our Birthday Celebration. See you there!   Bring and wear your personal club name badge, if you can. Those involved in set-up please plan to arrive by 4:00. But note, the underground parking is not free until 5:00.

We have no Thursday meeting of our own this week, and a roundtable next week, July 3; but here are a couple of other events worth noting:

Rosslyn Rotary Invitation – Learn More About Cybersecurity and Privacy

The Rosslyn-Ft. Myer Rotary Club has asked us to let our members know about their special meeting speaker for Tuesday, July 8. Hospitality half-hour begins at 12:00 and the meeting runs from 12:30 to 1:30. Frank Reeder (bio below) will talk about current cyber-security and privacy issues. His presentation will be aimed at ordinary mortals who have an interest in these issues as they confront business, government, and individuals. Arlington Rotary Club members are cordially invited to attend.   But please note that attendance is expected to be greater than normal, so naturally they want to get a head count – not on July 6, but NOW. So please if you want to attend, RSVP right away to Dan Burkitt (Burkitts@comcast.net) .

Frank Reeder served at the U.S. Office of Management and Budget for two stints between 1970 and 1995 where he represented the Administration in negotiating and securing enactment of the Privacy Act of 1974 and the Computer Security Act of 1987. From 1977-80, he was Deputy Director of House Information Systems, the computer and telecommunications support arm of the U.S. House of Representatives. From 1995-97, he served as Director of the Office of Administration of the Executive Office of the President. He chaired the Information Security and Privacy Advisory Board from 1998 through 2004 and was a member of the Commission on Cyber Security for the 44th Presidency and of the Social Security Commissioner's advisory panel on Future Systems Technology. He co-founded chaired the board of the Center for Internet Security and recently helped found and chairs the council of directors of the Council on Cybersecurity.   He has written several publications on these issues.

The Borgen Project, a national campaign focused on global poverty, wants us to know that it has a few volunteer positions available in the NoVa area (most involve telecommuting).
Interested? Explore the possibilities at :   http://borgenproject.org/volunteer-opportunities/

For the Record

In the course of our meeting June 21, new officers and directors for the upcoming Rotary Year 2014-15 were duly installed and took the oath of office. The full list of the new Board was published in your Arclight last week.

Our Speaker last week was Lloyd Wolf, a professional photographer who has done a lot of work locally, documenting Arlington and (currently) the Columbia Pike area, who showed us an amazing selection of his work while talking about his career as a photographer.

Guests June 21: Chloe Hollingsworth (assistant to Mr. Wolf), Karen Klemp, Colleen Barton Sutton, William Termohlen, Jimmy Falkner, Shannon Owens.

We bid farewell to our exchange student from Denmark, William Termohlen, as he finishes school, sets off on a trip to the west coast next week, and then will return home. William was a student at Yorktown High for the past year. Pictured at left are John Becker (William's sponsor), Jimmy Falkner (home host), William, and outgoing President Steve.
