Chartered July 4, 1929 – Now In Our 85th Year

This week we the Arlington Career Center will be giving us a tour of their facility and hosting us for lunch – Don't miss it!

We will meet at our usual time at **The Arlington Career Center** which is located at 816 S. Walter Reed Drive, Arlington, VA 22204 (703-228-5800).

The Arlington Career Center believes that EVERY student can learn, contribute and succeed and prepares its students to:

- discover and build upon unique interests, abilities and challenges;
- succeed in a changing, technological society;
- serve as responsible, contributing members of the community;
- become curious, engaged and healthy lifelong learners.

A tour of the center will start at 12:15 followed by lunch on site. Please let me know if you will be attending and if you have any special dietary needs. I can be reached at 703-237-3434 or LMValentino@verizon.net.

Also, Jim Egenrieder has extended the following invitation to ARC members to another event on the 8th for those of you who can attend:

Please join me, Chamber past-chair, Tim Hughes, and the Honorable Tamara Ashford as our guest on **Thursday January 8, 9:00am-10:00am for a special Children's Science Center virtual tour being hosted at 2300 Wilson Boulevard in Arlington.** The Children's Science Center is offering a one-hour program and virtual tour for people to see their plans firsthand. I'd like to have you come and meet the Executive Director and other staff and volunteers. You won't be asked to make a financial contribution, but we would welcome your advice and feedback. I've been involved with the Children's Science Center for going on two years, and I believe the two new hands-on museum locations will be a great boost for STEM (science, technology, engineering and math) by providing thousands of Northern Virginia children with unique opportunities to explore, create and be inspired with technical subjects. Please reply to Jim@STEMeducation.us if you can attend, and I will add you to the guest list.

Next week's speaker is

Scott McCaffrey, editor of the Sun Gazette newspaper group since 1997.

Important upcoming dates are

22 Jan – **Speaker TBA**

29 Jan – **Speaker TBA**
