Chartered July 4, 1929 – Now In Our 86th Year

This week our speaker will be Wendi Hatton, a Certified Trainer, Speaker and Business Coach at Eric Lofholm International, a multimillion-dollar global sales training organization that has trained thousands of business owners and entrepreneurs to dramatically increase their sales results.

MS. WENDI HATTON

On her website she offers a free eCourse and Special Report titled, '5 Key Strategies That Will Get You All The Clients You Want!', which takes you step-by-step through a proven formula. Ms. Hatton has been co-host of the weekly Blog Talk Radio Show, "Sky's the Limit Radio" since October 2012. She interviews experts from around the world who specialize in a variety of life and business-transforming areas, making a huge impact. She is also creator and editor of the digital magazine on the Apple newsstand, "Life Harmony Magazine" where she publishes empowering articles written by successful life coaches on topics relating to personal development and growth. As organizer of a local Meetup group, "Compassionate Network of Heart-Centered Entrepreneurs," Ms. Hatton inspires her members with monthly tips and strategies to help them grow their businesses and make more sales. Ms. Hatton's expertise is in helping service professionals who need the support in growing a profitable business around their passion, and who are incredible at what they do, but fall short when it comes to mastering the enrollment process, and attracting more high-end clients. Wendi lives in Springfield, Virginia with her husband, and has two grown children living in New York City. She is also a professional clarinetist as a performer, instructor and clinician.
