This Week's Events

 - **Thursday, June 8 - Lunch Program at the WGCC 12:00 – 1:30**

Thursday Speaker: Nadia Stewart, Executive Director, Empowering Enrichment
“Investing in the students of today to become the leaders of tomorrow”

As leaders, colleagues, parents, friends and neighbors, we have a vested interest in our community's future. That future includes, and even depends upon, all of us contributing to the education and development of the skills, talents, and passions of our youth. Students who are engaged, excited, and empowered will grow to be the next innovators, business leaders, and workers who keep our communities strong. Empowering Enrichment is working to bridge the gap for students and communities with financial need who would not otherwise be able to access these critical educational programs. **Bio:** Nadia Stewart is the co-founder of Enrichment Matters and Executive Director of Empowering Enrichment 501(c)(3). She

graduated from Ohio University with a B.S. in Organization Communication in 1999 and received a M.S. from The George Washington University in Education Technology Leadership in 2003.

Last Week

(1) Andrew Schneider, Executive Director of Arlington Thrives, explained his organization's niche in the local safety net, providing same-day cash grants to meet the emergency needs of families on the edge of their income so that an unexpected cost or setback doesn't derail their progress and stability. Funds we raise in September will help support this effort, specifically targeted to fund medical/prescription needs.

(2) Pres-Elect David Sutfin presented the club's donation to support the Sports, Math, and Scientific Hypothesis (SMASH) program operated by Brig Pari, our speaker a few weeks ago. This program seeks to offer incentive and recognition to students in STEM subjects and to bring sports into the equation by giving students the opportunity to hear from prominent athletes how math and science figure in sports excellence.

The Rotary Four-Way Test of the Things We Think, Say, Or Do

- IS IT THE TRUTH? • IS IT FAIR TO ALL CONCERNED? • WILL IT BUILD GOOD WILL AND BETTER FRIENDSHIPS? WILL IT BE BENEFICIAL TO ALL CONCERNED?
