ROTARY:
MAKING A
DIFFERENCE

Thursday, October 26 - Lunch Program at the WGCC 12:15 – 1:30

Dr. Raquel Neumann, Arlington Rotary Club
“Classification Talk”

This week we have the opportunity to learn more about one of our most recent members, Dr. Raquel Neumann, who will give the traditional introductory biographic sketch that we in Rotary call a “classification talk.”

That’s why we’re not providing a bio here! Come hear it directly from Raquel.

At left is a photo of Raquel at her induction in July, with sponsor Mauricio Moura.

Last Week

Marymount University President Dr. Matthew Shank provided us an update on a variety of new programs he has pursued in his six years at the University, including efforts to make MU an “institution of choice” for graduating high school seniors, and several new fields of study focused on providing students unique degree programs that will both interest them and prepare them for the globalized world of the 21st century.

Remember – \$ 17 to Fight Polio in 2017

For years, Rotary has been a major partner in the global effort to eradicate polio. We’ve made a lot of progress, but the effort to knock out those last few cases and declare the world polio-free continues. Last week AREF President Sherry Barndollar Rock pointed out that we can meet nearly all our club quota for Polio Plus this year with a contribution of only \$17 per person. Please remember to bring your check for \$17 (or more?) to meeting this week, mail it, or [donate online](#).

Trading Banners

Dr. FNU Nyati Presents the banner of his club, Jaipur Midtown, India, a club of some 100 members doing some impressive community service projects..
