**ROTARY:
MAKING A
DIFFERENCE**

Thursday, May 31 - Lunch Program at the WGCC, 12:15-1:30 Gary Long – ARC Membership Chair

Besides being our Membership Chair this year, Gary has also been working on a virtual Ph.D. in Facebook while trying to put this platform to best use for the club. He will explain we can use Facebook to improve our public visibility and online presence; review some of the efforts he has made in that regard; and tell us how we members can help.

Last Week's Meeting

Ramon Montes, CEO and Founder of The Regratiying Foundation, described how the experience of being a foster child (and the life disruptions that lead to that status), can negatively affect how foster children adapt to later life; and he cited some of the surprising statistics showing comparisons between foster children and others regarding education, jobs, and crime. Members showed a lot of interest in this talk; if you missed it, or want to review, Ramon's slide show is attached to the transmission email.

New ARC Member

On May 24 President David Sutfin inducted Debashish Shome as our most recent member. "DB" is a Penn State graduate with degrees in engineering and business. He is an entrepreneur with interests in several industries and has been in business for more than 15 years. DB is currently a Director at Neva Group, an IT firm. His specialties include application development, application architecture, system analysis, project management, entrepreneurship, running a company, and business development.

NOTE: If you are a greeter and cannot arrive 15 minutes before any weekly meeting during your month, it is your responsibility to make sure your partner will be in attendance or to find a substitute for yourself. Contact **David Sutfin**, djsutfin@gmail.com with any questions.
